Mairehau Primary and St Francis of Assisi OSCAR Programmes

The OSCAR Programme is managed by Neighbourhood Trust.

The Supervisor and Staff are employed by Neighbourhood Trust to provide a safe, stimulating, caring and comfortable environment for the children, taking into account children's individual needs.

The programme is structured and includes planned programmes, games and activities for each session. The children have use of the playgrounds. All activities are well supervised whether indoor or outdoor and a quiet rest place is available for those children who would like this.

Vision

The Programme is committed to provide primary school children and their families in the Mairehau community with an excellent quality, safe and affordable programme. To help build children's self-esteem and teach them character values that will help develop their future potential, whilst providing a fun environment for both holiday times and out of school hours.
